Special General Meeting

A Special General Meeting is to be held at the club on March 13th at 6pm. This is to adopt our new constitution, which has been developed in line with the new government regulations for clubs. The final copy of the constitution will be sent out before the meeting.

Partners for the Featherston Pairs

Thursday March 13th is also a special night as it is the first of the Featherston Pairs where junior players can play with an intermediate player. If you haven't already arranged a partner and are not sure of their grade, check the notice board for the list of recent grades from New Zealand Bridge. You can also check with Angie, who is the convenor for Thursday night.

Calling all Interclub teams

The closing date is fast approaching for entries for this year's Interclub competition. We have three intermediate teams, but it would be great to also have a junior and novice team, particularly after the success of our novice team last year. The competition is online once a month on a Friday night. It's lots of fun to play in a team against other clubs and it's very good for your Bridge. A team of six players is perfect as substitutes are allowed and you can have up to 8 people in one team. Call Pip on 0272968942 to enter before the end of February.

Defibrillator refresher course

The club is thinking of getting the Free Ambulance trainers to conduct a refresher course for us in using the defibrillator. We ran a course a few years ago, but it's always a good idea to refresh your memory, as emergencies do happen. The correct training gives you the confidence to know what to do in an emergency. If you are interested, call Hugh Townend on 0274416813 before the end of February and he will arrange a training session.

Masterton tournament – Sunday February 23rd

This is open to intermediate and junior pairs and is well worth attending. Playing in tournaments is a great way to improve your Bridge and win points towards your grade. Enter on the [New Zealand Bridge website](#).
