From the Committee Meeting

Committee news

- Following NZ Bridge notice to abolish the use of Stop cards at Tournaments, our committee met and voted unanimously on abolishing Stop cards from club bridge as well. So as of next week, there will be no Stop cards or tapping on the table to alert a jump bid.

- Please note: When tidying up after supper, please store cups in our labeled cupboard next to the fridge. There are four containers with cups, any surplus cups belong to the council and should be placed on the open shelves. Tea and biscuits should be stored in the next labeled cupboard. The third labeled cupboard is used for special events supplies.

Trudy won the raffle

Masterton Bridge Club were great hosts. Sandy Dravitzki was the director and the tournament ran like clockwork. They a provided a delicious afternoon tea and drinks after the game had finished.

In her speech at the end at the prizegiving Cheryl thanked everyone who had played today - saying without the players there would be have been no tournament and told them it had been their privilege to host them all.

Pauline Shaw (Masterton) and Fredericka (SWBC) had not met each other until today when they sat down to play in the tournament
