Fun fact

Where does the name 'Bridge' come from? According to Google, it's the English pronunciation of a game called 'Biritch', which was also known as Russian Whist.

Interclub Bridge

The 2025 Interclub competition kicks off on Friday, March 21st with five teams from our club – three intermediate, one junior and one novice competing against teams from all over the Wellington region. That's pretty good for a small club like ours. Best of luck to all.

Our upcoming tournament

Now is the time to think about entering our own intermediate and junior tournament to be held at the club on Sunday, April 6th. It's daylight saving that day, so you have an extra hour to lie in bed. Play starts at 10am after morning tea at 9.30am. The entry fee of \$35 covers morning tea and lunch, nibbles and drinks at the end of play, raffle tickets and two sessions of Bridge. Our tournaments are usually very well attended by players from other clubs and there is a good standard of competition. So find yourself a partner and enter at the [NZ Bridge tournament page](#) before Wednesday, April 2nd.

Happy Bridging!
