

Our Spring Fling Tournament 22nd September 2024

We had a marvellous day!! Thank you to everyone who helped to make our tournament such a success.

- The tournament committee have had a debrief meeting
- We were thrilled with the number of entries – our goal was 14 tables and we ended up with 17. Last year we had 12. Thank you to all our club members who played and provided a delicious morning tea. The tournament was played in great spirit and we have received lots of compliments about the day
- We were very happy with our director and the work he did for us. There was potentially could have been a big disaster in the morning, but he fixed it and most people playing would not have even known it had happened.
- Thanks to the Jill and her Dealing team and Martin for scoring
- Angie was very happy with all her kitchen helpers, especially Lynette, Vanda, Penny and David who have just joined the club this year and helped with setting up, on the day and cleaning up at the end. Penny and David offered to be the standby pair but were not needed this time.
- Thank you to everyone who donated to the raffle baskets and Marilyn who worked out a cleaner, more efficient and modern way to give out the tickets and draw the raffle
- We know we have made a profit but at this stage not sure how much it is, as we have not received all the invoices
- Thank you to our tournament committee – everyone worked together to make our tournament a success. Dinah, who was helping everywhere in every way, Dawn – with her lovely potted flowers, Pip for designing the Tournament poster, setting up the Slide show of previous tournaments and taking photos of this year's prize winners, Angie for her amazing work with the food organizing and service – everyone on the committee were given instructions on what to bake and make and we all followed Angie's instruction to the letter.
- We are looking forward to next time.
